REPORT NARRATIVE

SYNOPSIS:

On 3/15/2017, at about 1955 Hours, Pala Casino Security reported seeing two heavily intoxicated adult males, later identified as Daniel Hollomon (b)(5)(A) and (b)(5)(B) (b)(5)(A), stumbling toward State Route 76 from the Pala Casino property. Pala Security believed Hollomon and (b)(5)(B) were too intoxicated to care for their own safety and feared they might walk into the roadway. Hollomon and (b)(5)(B) were subsequently contacted by deputies on State Route 76.

Hollomon was determined to be too intoxicated to care for his own safety and was a danger to himself and others on the roadway. Deputies attempted to take Hollomon into custody due to his level of intoxication and he became assaultive. Hollomon was subsequently contacted by Deputy Zappia's K9 partner and he was arrested for 647 (F) PC - Drunk in Public, 69 PC - Obstruct or Resist a Peace Officer, and 600 (A) PC - Willfully Harm Police Dog.

Hollomon was treated for his injuries at the Palomar Medical Center and booked into the Vista Detention Facility.

Photographs and (b)(5)(B) recorded statement were copied to a compact disk and placed into evidence.

ORIGIN:

On 3/15/2017, at about 1955 Hours, I was contacted by Pala Casino Security in the parking lot of the Pala Mini Mart, located at 11152 State Route 76. I was advised of two intoxicated male adults walking westbound on State Route 76 from the Pala Casino Ref CAD: E4023112.

INVESTIGATION:

Case Disposition: **Arrest**

Primary Victim: **Neufeld, Christopher**

Report No. **17113695.1**

6

Page 6 of 9

On 3/15/2017, at about 1955 Hours, I was contacted by Pala Casino Security Officer, (b)(5)(B) (b)(5)(A). (b)(5)(B) told me he observed two heavily intoxicated male adults walking westbound on State Route 76 from the Pala Casino property. (b)(5)(B) was concerned for their safety and feared they might walk into traffic.

Dressed in Sheriff's Department uniform and driving a fully marked patrol vehicle I traveled westbound on State Route 76 and located two male adults lying in the bushes on the shoulder of the road. It appeared they had just fallen down the embankment of the south shoulder of State Route 76. I illuminated the individuals with my spot light and activated my overhead lights. One of the males, later identified as Daniel Hollomon (b)(5)(A), stumbled to the shoulder of the road and continued walking westbound on State Route 76. Hollomon appeared to be intoxicated as his gate was unsteady, which caused him to trip and fall several times over rocks and debris. I called for Hollomon to stop and told him I would provide with a ride back to the casino. Hollomon ignored my request and continued walking westbound.

I contacted his male companion (b)(5)(B) (b)(5)(A)) and he provided the following statement.

Statement of (b)(5)(B) (Witness):

(b)(5)(B) and Hollomon had been drinking at the Pala Casino and were waiting for a ride home from Hollomon's wife. (b)(5)(B) told me Hollomon was extremely intoxicated and upset. (b)(5)(B) also stated he believed Hollomon would fight if he was contacted by law enforcement. (b)(5)(B) also expressed concern that Hollomon was too intoxicated to be walking down the shoulder of an unlit roadway at night. I advised (b)(5)(B) to stay out of the road and return to the Pala Casino property for his safety. (b)(5)(B) appeared to be intoxicated but was cooperative and able to care for himself.

INVESTIGATION (CONT):

I drove westbound on State Route 76 for approximately one mile and found Hollomon walking on the shoulder of the road. I activated my overhead lights, illuminated Hollomon with my vehicle spotlight, and drove parallel to his position for approximately 100 yards. I did this so both directions of traffic would be aware of Hollomon's location in the event he wandered into the roadway. I told Hollomon several times to stop and talk with me and I would provide him with transportation back to the Casino where he could wait for his wife. Hollomon replied by saying "Fuck you." Hollomon continued to stumble as he walked and he fell several times on the shoulder of the road. Based on (b)(5)(B) statement that Hollomon would fight law enforcement and his objective signs of unsteady gate and stumbling I continued to follow him until additional deputies arrived on scene. Based on Hollomon's level of intoxication I believed he was both a danger to himself and the public due to his location on the shoulder of State Route 76. Based on my training and experience I know intoxicated individuals are unable to exercise due care for their safety and I have seen individuals struck and killed by motorists on unlit rural streets.

7

Page 7 of 9

Moments later Deputy Neufeld and Deputy Zappia arrived on scene. I advanced past Hollomon's location and parked in a turn-off approximately 50 yards from his location. I did this to prevent Hollomon from continuing westbound. I observed Deputy Neufeld exited his patrol vehicle and contact Hollomon by grabbing his left arm. I observed Hollomon pull away from Deputy Neufeld and he began to scream unintelligibly. I approached Hollomon from behind and grabbed his right wrist with my right hand. I did this because I believed Hollomon would not be compliant with verbal commands and I felt it was important to detain him as quickly as possible for his safety and they safety of passing motorists. Had I not grabbed Hollomon's wrist he might have felt compelled to evade arrest by crossing the street or attempting to flee down the embankment on the south shoulder of the road - both of which could have caused him or others great bodily harm. Deputy Neufeld and I attempted to place Hollomon's hands behind his back to detain him in handcuffs for his safety. I told Hollomon several times to relax and stated we were there to help him and ensure he returned home safely. Hollomon pulled his arms away from our control, clinched his first in front of his body, and took a fighting stance. Deputy Neufeld attempted to regain control of Hollomon's arm while I placed both my hands behind his head. Using the downward force of my body I assisted Hollomon to the ground - face down on his stomach. After Hollomon was on the ground he continued to resist by swinging his arms and kicking his legs. Up to this point we were unable to determine if Hollomon had a concealed weapon on his person. Additionally, there were several large rocks within Hollomon's reach that he could have used to harm us in an attempt to evade arrest.

While Deputy Neufeld and I were fighting with Hollomon and attempting to gain his compliance, Deputy Zappia was standing near to our location with his K9 partner, Tommy. Deputy Zappia's position provided an important tactical advantage because he was able to monitor the situation from an advantageous neutral position, which would allow him to observe actions or intentions Deputy Neufeld and I might miss due to our engagement with Hollomon.

After Deputy Neufeld and I began struggling with Hollomon on the ground, Deputy Zappia advised us to disengage so he could utilize his K9 partner in an attempt to gain Hollomon's compliance. Deputy Zappia and his K9 partner moved forward and engaged Hollomon (See Deputy Zappia's Report). Hollomon continued to resist after being contacted by the dog so I positioned myself on top of his legs in an attempt to restrict his movement.

Deputy Neufeld and Deputy Zappia eventually detained Hollomon in handcuffs. We attempted to reposition Hollomon on his side in the recovery position but he continued to be uncooperative and refused to roll from his stomach.

Fire personnel responded to the scene to evaluate Hollomon's injuries but he refused treatment. Hollomon was transported by paramedics to the Palomar Medical Center for treatment.

I contacted (b)(5)(B) at the scene and he provided the following statement.

Statement of (b)(5)(B) (Witness):

Page 8 of 9

**This is a summation of (b)(5)(B) statement

**The following statement was recorded and lasts approximately thirteen minutes

(b)(5)(B) lives in Idaho but is visiting California. (b)(5)(B) and Hollomon were at the Pala Casino and they were waiting for Hollomon's wife to arrive to give them a ride home.

Hollomon is not a criminal; however he does not trust the "authority." (b)(5)(B) felt he had everything under control until the cops arrived. When Hollomon saw the cops and the lights he "bolted."

Pala Casino Security told Hollomon and (b)(5)(B) they could not stay at the Pala Mini Mart due to their level of intoxication and because they feared for their safety. (b)(5)(B) told them they were waiting for a ride and security told them they would notify law enforcement if they did not leave. It was at this time Hollomon walked away from the property.

(b)(5)(B) knew if Hollomon was contacted by law enforcement there would be a confrontation - because Hollomon would perceive contact from law enforcement as his liberties being restricted.

(b)(5)(B) knew Hollomon was "Fucked up" and had too much to drink and was not safe walking down the should of State Route 76.

INVESTIGATION (CONT):

I returned to the Pala Casino and contacted the reporting party, Pala Casino Security Officer (b)(5)(B). (b)(5)(B) provided the following statement.

Statement of (b)(5)(B) (Reporting Party):

At about 1945 Hours, (b)(5)(B) observed two male adults stumble and fall near the Pala Mini Mart. (b)(5)(B) contacted the individuals and asked about their level of intoxication. (b)(5)(B) asked how many beers they had and they replied "A lot." (b)(5)(B) then asked if they had a ride home and they replied "Does that matter to you?" (b)(5)(B) asked if they would provide identification and they refused and said "Fuck you." (b)(5)(B) then observed the individuals walk from the Pala Casino property toward westbound State Route 76. It was at this time he contacted Deputy Malan in the Pala Mini Mart parking lot.

INVESTIGATION (CONT):

After receiving treatment at the Palomar Medical Center I escorted Hollomon to my patrol vehicle in the hospital parking lot. After arriving at my vehicle I read Hollomon the Miranda Admonishment verbatim from my Deputy Notebook. I asked Hollomon if he understood his rights and he said "No." Hollomon then stated he wanted to speak with an attorney. I placed Hollomon in my vehicle and Deputy Neufeld and

transported him to the Vista Detention Facility where he was booked into custody for 647 (F) PC - Drunk in Public, 69 PC - Obstruct or Resist a Peace Officer, and 600 (A) PC - Willfully Harm Police Dog.

EVIDENCE:

I placed the following item into evidence at the Valley Center Station:

1. CD - Containing (b)(5)(B) statement and (2) photographs of Hollomon

INJURY:

Hollomon sustained numerous lacerations and scraps from the K9 contact (See Deputy Zappia's Report).

PROPERTY DAMAGE:

None

FOLLOW-UP:

I requested video surveillance from Pala Casino. The video will be available for pick-up at a later date.

REPORT NARRATIVE**ORIGIN:**

On 3/15/2017, at about 1956 hours, I responded to assist Deputy Malan with two drunk in public individuals near Pala Casino, located at 11154 Pala Rd, on the Pala Indian Reservation. Deputy Malan was initially flagged down by Pala Casino Security reference these two individuals walking westbound along the roadway from the casino. Deputy Malan had located both subjects near the road but one was uncooperative and continued to walk away westbound on Hwy 76.

BACKGROUND:**NONE****DEPUTY ACTIONS:**

4

Page 4 of 7

I was following Deputy Neufeld as we were enroute to assist Deputy Malan. Deputy Malan had advised he located the uncooperative subject, walking along Highway 76. Deputy Malan was not going to contact him until another deputy arrived to assist him. As Deputy Neufeld and I arrived in the area, I noticed Deputy Malan's patrol vehicle slowly driving with his overhead red and blue lights activated. Behind Deputy Malan were several cars. I noticed Deputy Malan cross traffic and turn down a dirt turnout. At this time, Deputy Neufeld and I activated our overhead lights to slow traffic in the area.

I noticed a white male, later identified as Daniel Hollomon (b)(5)(A) walking along the south side of the highway. Highway 76 is a two lane highway with no lighting. Highway 76 is used as a major roadway for many commuters that work at the 4 casinos in the Valley Center area. Highway 76 stretches from Interstate I-5 all the way to Lake Henshaw and is referred to as a "major" highway amongst Valley Center residents. In this portion of Highway 76, there are no sidewalks, making it unsafe for people to walk along the Highway. The speed limit for traveling vehicles is a maximum of 55 MPH. Where I noticed Hollomon, the shoulder was blocked by a guard rail, due to a small creek the highway crossed over. On the other side of the guard rail was a slope that was covered with grass and rocks. The shoulder he was walking along is roughly 3 feet wide. Hollomon began walking toward us on the shoulder, stumbling and unable to maintain his balance. Deputy Neufeld positioned his vehicle in the roadway blocking any vehicles traveling eastbound from possibly hitting Hollomon. I positioned my vehicle directly east of Deputy Neufeld. I noticed Hollomon stumbling as he attempted to gain speed to elude us. Hollomon fell over the guard rail onto the grassy area and lost balance by falling completely to the ground. Hollomon stood up and appeared to do so with difficulty as he continued to attempt to elude us. Deputy Neufeld began to give chase and caught up to him.

Due to Deputy Malan earlier advising deputies Hollomon was uncooperative and intoxicated; I retrieved my K9 partner "Tomy." My intention was to have the canine available at the scene as a psychological deterrent to any aggressive acts that Hollomon might make against the deputies and/or the public. Additionally, I wanted to prevent the using of a higher level of force. Based on my training and experience, I know people under the influence of alcohol sometimes have erratic and uncontrollable behaviors. People under the influence of alcohol sometimes have a high pain tolerance and do not listen to reason. The canine would additionally help us in detaining Hollomon in case he became combative. As Deputy Neufeld began to gain control of the left side of his body, Hollomon began to clench his fists and pull them to the front of his waist line. I noticed his arms were rigid and Deputy Neufeld was trying to gain control of his arms by placing them behind his back. Deputy Neufeld was not able to do so and had difficulty maintaining control of him. Deputy Neufeld identified himself to Hollomon as a deputy and tried to explain to him that he was being detained. Hollomon began yelling, "Why are you detaining me." Hollomon continued to try and walk away from Deputy Neufeld, displaying active resistance. Deputy Neufeld was able to maintain control of him and held onto Hollomon's rigid arms.

5

Page 5 of 7

Deputy Neufeld told Hollomon a Sheriff's canine was on scene and if he tried to fight us he may be bit. At this time, I had positioned myself in the road on the other side of the guard rail. Having Deputy Neufeld's vehicle as a shield from vehicles that had been passing by, I was able to watch and listen to Deputy Neufeld try and reason with Hollomon. Tomy had begun to bark at Hollomon. This allowed Hollomon and everyone in the area to know a canine was on scene. As Deputy Neufeld was controlling Hollomon, he continued to say, "Why are you detaining me?" Deputy Neufeld again tried to explain to him why he was being detained but Hollomon would not acknowledge Deputy Neufeld's response. I gave a canine admonishment to Hollomon stating, "Sheriff's department with a canine. If you try to fight the deputies, you may be bit by my dog."

Deputy Malan had arrived to assist Deputy Neufeld and I. Deputy Malan began to take control of Hollomon's right side of his body. Hollomon continued to clinch his fists and maintain his rigid posture preventing deputies from placing his hands behind his back. Deputy Malan began speaking to Hollomon, trying to explain he was being detained for being publicly intoxicated. Deputy Neufeld had control of Hollomon's left arm; Deputy Malan had control of Hollomon's right arm when Hollomon made a jerking motion. I believed he was trying to break free from deputies' hold of him. Deputy Malan performed a takedown, causing both deputies and Hollomon to fall to the ground. While on the ground, Hollomon placed his hands under his body concealing them. Hollomon continued to have his arms rigid, preventing deputies from controlling his hands. Hollomon was continuing to display active resistance at this point.

After a few seconds of deputies trying to control his arms from under his body, Hollomon exposed both his arms and began flailing his fists and feet by swinging his elbows back and toward the deputies. Hollomon's feet began swinging in long strides toward Deputy Neufeld as if he were trying to kick him, due to the positioning of Deputy Neufeld; he was able to avoid the kicks. I believed he was trying to attack deputies at this point. I watched with Tomy, as Hollomon was able to strike Deputy Neufeld in the chest with a closed fist. This strike caused Deputy Neufeld to fall back and loose his grip on Hollomon. I believed Hollomon was beginning to escape Deputies Neufeld and Malan's hold of him. Hollomon demonstrated he is now willing to assault a deputy without regard. Hollomon knew the canine was on scene and ignored our admonishments for him not to fight us by punching Deputy Neufeld in the chest.

To prevent deputies from further injury, I yelled out "Canine! Canine! Canine!" and pulled Deputy Neufeld off of Hollomon along with Deputy Malan as I deployed Tomy onto Hollomon. Tomy bit Hollomon on the right arm and began pulling him. Hollomon rolled over exposing his left arm and punched Tomy in the face. I yelled, "Stop fighting my dog!" Tomy continued to hold onto Hollomon's arm as I delivered three knee strikes to Hollomon's back. This initial force was ineffective and Hollomon began to roll onto Tomy's head. Hollomon was able to place his entire body on top of Tomy's head, which caused me to only see Tomy from his shoulders to his tail. I believed Hollomon was trying to break Tomy's neck and/or suffocate him to release his hold. I yelled, "Stop rolling onto my dog!" I repositioned myself to where Tomy's body

was exposed and delivered three knee strikes to Hollomon's back again. This use of force seemed to be effective and allowed Tomy to free himself from Hollomon's body.

Tomy reengaged Hollomon near the back of his neck and began biting. As Tomy began biting Hollomon's neck, Hollomon placed his left hand behind his back. Deputy Neufeld had control of Hollomon's right arm. I placed two sets of handcuffs on Hollomon, successfully detaining him. I gained control of Tomy and gave him the release command and he released his bite from Hollomon. The level of force I used was effective and prevented me, Tomy and my partners from further injury from Hollomon. Had I not used this level of force, Hollomon could have overpowered my partners and injured them further or walked out into the roadway and possibly been hit by a vehicle. Deputy Malan later advised me Hollomon's companion, (b)(5)(B) had told him if deputies would try and talk to Hollomon he would fight us, which he had not broadcasted over the radio.

Pala Fire Department arrived on scene and transported Hollomon to Palomar Medical Center for further evaluation. I advised dispatch of a canine contact and requested they notify 10KS2 Sergeant McConnaughey (4737). I spoke to Sgt. McConnaughey regarding the incident. Sgt. McConnaughey responded to Palomar Medical Center, where I gave him all the details regarding the incident. Sgt. McConnaughey conducted his investigation at Palomar Medical Center. DIS Sgt. Maryn (2033) arrived at Palomar Medical Center and conducted an investigation as well.

RELATED REPORTS:

INJURIES:

Hollomon sustained two lacerations to his right arm, a laceration to his right ear and raking to the back of his neck and head as the result of being contacted by Tomy. Hollomon also sustained a cut to the left of his face as a result of the takedown. Pala Fire Department responded to the scene and evaluated and treated Hollomon's injuries. Hollomon was transported to Palomar Medical center for further evaluation and treatment by P.A. (b)(5)(B) and subsequently cleared for booking by medical staff. Hollomon received a total of 15 stitches to his arm, 3 stitches to his ear and two staples to the back of his head.

REPORT NARRATIVE

FOLLOW-UP INVESTIGATION:

On 4/3/2016, I took custody of a compact disk containing Pala Casino surveillance. I forwarded a copy of the surveillance to the district attorney's office and placed the original into evidence at the Valley Center Station.

On 4/4/2017, I received a copy of the report completed by Pala Casino Security personnel via email. I forwarded a copy of the report to the district attorney's office and placed a copy into evidence at the Valley Center Station.

CASE DISPOSITION:

Arrest

Reporting Officer SH0027 - MALAN, JOHN	Division / Organization Valley Center Substation VALLEY CENTER DETECTIVES	Reviewed By SH2420 - EMIG JR, JAMES
Report Date 4/3/2017 1:25:28 PM	Detective Assigned SH0942 - VAN OORT, JESSICA	Reviewed Date 04/17/2017 14:01:42

**SAN DIEGO COUNTY SHERIFF'S DEPARTMENT
MEMORANDUM**

DATE: 03/20/17

TO: Greg Carpenter, Lieutenant

FROM: James McConnaughey, Sergeant

SUBJECT: Review of CN# 17113695

CONFIDENTIAL:

On 03/15/17, at about 2000 hours, deputies from the Valley Center Substation were flagged down by Pala Casino Security reference two intoxicated subjects walking westbound on Pala Road, on the Pala Indian Reservation. Deputy Malan contacted (b)(5)(B) and Daniel Hollomon, the two intoxicated subjects from Pala Casino, in the 10504 block of Pala Road. Hollomon refused orders to stop and continued to walk away on the shoulder of Pala Road. (b)(5)(B) explained to Deputy Malan that Hollomon would fight them if they tried to contact him. Deputy Malan followed Hollomon in his patrol vehicle until a cover deputy arrived on scene.

Deputies Malan and Neufeld attempted to place Hollomon under arrest for drunk in public and a struggle ensued. Deputy Zappia gave several canine announcements for Hollomon to stop resisting. Hollomon began to kick and elbow at the deputies, striking Deputy Neufeld. Deputy Zappia deployed his canine partner Tomy. Tomy bit Hollomon on his right arm. Hollomon struggled and punched Tomy in the face. Hollomon rolled over and on top of Tomy. Tomy released Hollomon's arm and bit him on the back of his head.

Hollomon was transported to Palomar Medical Center for his injuries. Hollomon sustained raking and lacerations to his right arm, punctures and a laceration to his right ear, and a small laceration on the back of his head. Hollomon received sutures and staples for the lacerations. Hollomon was later transported and booked into VDF for felony assault on a peace officer, battery on a police dog, and drunk in public. Deputies Malan, Neufeld, and Zappia did not sustain any injuries. Tomy did not sustain any injury.

REVIEW:

On 03/15/17, at about 2015 hours, I was notified by the Sheriff's Communications Center of a canine contact in Valley Center. I was told Hollomon would be transported to Palomar Medical Center located 2185 Citracado Parkway in Escondido.

I met with Deputy Zappia at the hospital and completed this investigation.

I made all appropriate notifications to both the Emergency Services Lieutenant as well as the on-call Divisional of Inspectional Services Sergeant Maryn, who responded to the hospital.

I contacted Hollomon in the exam room and identified myself. I attempted to conduct a recorded interview with Hollomon reference the deployment of the canine. Hollomon told me he was never informed of his arrest and had done nothing wrong. I asked Hollomon if he understood I was recording the interview. Hollomon stated, "No" and told me he wanted to wait to have an attorney present and did not wish to consent to anything further until his attorney was present. I ended my interview with Hollomon. Hollomon had the odor of an alcoholic beverage on his person and breath. I observed Hollomon fall asleep and snore several times while his injuries were being treated. Hollomon would wake up each time and asked what happened to him, where he was at, and if his wife was contacted.

I attempted to take photos of Hollomon's injuries to his right arm, right ear, and the back of his head. Hollomon stated he did not consent to the photos being taken and tried to hide his injuries with a blanket. I waited until Hollomon's injuries were not covered and I took digital photos of his right arm. Hollomon then assisted me with photos of his ear and back of his head. The photographs of Hollomon were copied to a CD-R disc and attached to this investigation.

CONCLUSION:

Deputy Zappia's decision to use his canine was based on the following factors:

Hollomon refused to obey several lawful commands to surrender and was uncooperative while fleeing from deputies.

Hollomon was intoxicated and exhibited erratic behavior that suggested a violent confrontation was likely when the deputies attempted to control his arms.

Hollomon began to kick and punch in the direction of the deputies while on the ground.

Hollomon struck Deputy Neufeld in the chest with a closed fist, causing Deputy Neufeld to fall back and lose control of Hollomon.

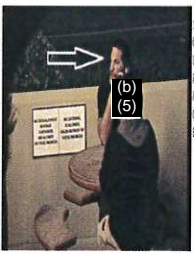

The use of the canine was within policy and deployed in an appropriate manner.

INJURIES:

Hollomon sustained raking and lacerations to his right arm, punctures and a laceration to his right ear, and a small laceration on the back of his head.

Pala Casino Spa and Resort

Officer Narrative

Incident Type PERMANENT BAN	Incident Location MINIMART	Inc. Date 3/15/2017	Inc. Time 2105	Status Open	Incident Number 17-00748
Dispatch Log N/A	Surveillance Log N/A				

On 03/15/17 at approximately 2105 Mobile Patrol Officer (b)(5)(B) ((b)(5)(A)) informed me of a guest who was observed at the Mini Mart who was extremely intoxicated and became belligerent when (b)(5)(B) made contact.

I spoke with (b)(5)(B) who stated that while patrolling at the Mini Mart, he observed a guest later identified by SDSO only as Daniel Holloman, who was being assisted by his companion and appeared extremely intoxicated. (b)(5)(B) further stated that when he made contact at the outside patio after only a few questions, Holloman became agitated and attempted to leave property. (b)(5)(B) further stated that he was contacted by Surveillance who informed him that Holloman and his companion were waking into traffic on Highway 76. (b)(5)(B) further he contacted Deputy Malan from SDSO who was already on property and informed him of the two male guests who were walking in traffic. (b)(5)(B) further stated that Malan then left the property to pursue Holloman. (b)(5)(B) further stated that after Holloman was taken into custody, Malan returned to the Mini Mart and provided (b)(5)(B) with the name, birthday and driver's license for Holloman and also provided SDSO CASE # 17113695.

This information was provided to Guest Safety Supervisor (b)(5)(B) ((b)(5)(A)) who determined that Holloman should be banned for public intoxication, uncooperative with Guest Safety and negative contact with Law Enforcement. Because Holloman was extremely intoxicated and SDSO did not departed property as soon as (b)(5)(B) was provided with Holloman's information, Holloman was not informed of his ban. Because there was no address provided by SDSO, Holloman will be formally banned the next time he is observed on property.

Guest Safety Lead (b)(5)(B) ((b)(5)(A)) was informed.
One photograph was taken and is attached to this report.
A copy of the Ban Form is attached to this report.
Surveillance Operator (b)(5)(B) was informed.
No further details to report at this time.

Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

Lieutenant: Sign, list ARJIS number and date reviewed.

Captain: Sign, list ARJIS number and date reviewed.

Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

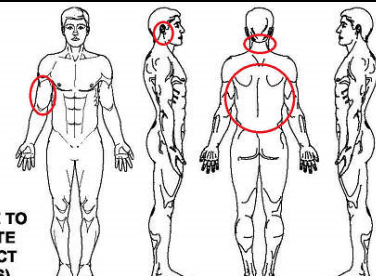

Lieutenant: Sign, list ARJIS number and date reviewed.

Captain: Sign, list ARJIS number and date reviewed.

REPORT NARRATIVE**ORIGIN:**

On 03-15-2017, at approximately 1956 hours, Deputy Zappia #5259 and I responded to assist Deputy Malan #0027, who had been contacted by Pala Casino Security regarding two intoxicated subjects who were walking westbound on Highway 76 from the Pala Casino, located at 11154 Highway 76 in the unincorporated city of Pala and county of San Diego. Deputy Malan had advised he had attempted to contact one of the subjects, but he was uncooperative and continued to walk westbound on Highway 76.

DEPUTY'S OBSERVATIONS AND ACTIONS:

Deputy Zappia and I arrived on scene in the area of 10504 Pala Road. I observed Deputy Malan's patrol vehicle turn south onto a nearby dirt road. Deputy Malan's patrol vehicle had the overhead flashing lights activated. To the east of Deputy Malan's patrol vehicle, I observed a male subject walking eastbound on highway 76. The subject, later identified as Daniel Hollomon (b)(5)(A) was walking on the shoulder of the road with an unsteady gait and I observed him stumble and almost fall several times. Hollomon was on the south shoulder of the road and several vehicles came close to where Hollomon was walking. It appeared as though Hollomon was attempting to walk quickly as though to evade contact by Deputy Malan. The area had no street lights and was very dark.

I activated my overhead forward facing solid red light and flashing ambers. Hollomon then climbed over the guard rail and almost fell over as he climbed over. Hollomon then stumbled and almost fell as he continued to walk eastbound. I pulled to the south side of the road and exited my patrol vehicle. Based on the unsteady gait displayed by Hollomon, I believed he was under the influence of an alcoholic beverage. I believed if Hollomon had continued to walk on the road, he would have potentially been struck by a vehicle.

As I approached Hollomon, he started to walk away from me at a high rate of speed. Hollomon was stumbling as he walked. I announced myself as a member of the Sheriff's Department and told Hollomon to stop. Hollomon did not stop. In order to stop Hollomon from fleeing and potentially being struck by a vehicle or falling down the nearby embankment, I grabbed him by his left arm and left shoulder from the rear. Hollomon immediately began to tense up upon my grabbing him. I held Hollomon in place until Deputy Malan arrived to assist. I could smell the strong odor of an alcoholic beverage emanating from Hollomon's breath and person.

Page 2 of 2

Hollomon kept repeating, "Why am I being detained?" I explained to Hollomon I was a deputy sheriff and he was being detained for being drunk in public and walking in the roadway on Highway 76. Hollomon continued to tense his arm. I explained to Hollomon we had a canine on scene and advised him to not fight with me or he may be bit by the canine. Hollomon continued to repeat the same thing over and over. Hollomon slurred his words as he spoke. Based on my training and experience, I believed Hollomon was under the influence of an alcoholic beverage to the point of not being able to care for the safety of himself or others.

Deputy Malan approached from where his vehicle was parked on the dirt road to the west. Deputy Malan grabbed Hollomon's right arm. I attempted to put Hollomon's left arm behind him while Deputy Malan attempted to do the same with his right. We were going to attempt to place handcuffs on Hollomon because he was tensing up and pulling away from our grasp. By placing Hollomon in handcuffs, it would have prevented him from being able use his hands to fight with us. Hollomon then pulled his hands to the front of his body and clenched his fists. Hollomon then adjusted his stance into what appeared to be a fighting stance. Deputy Malan used a head control takedown on Hollomon in order to prevent him from fighting with us. I assisted Deputy Malan by guiding Hollomon's left arm as he went to the ground. I feared, if Hollomon continued to be in a standing position, he would have been able to fight with Deputy Malan and me, potentially causing injuries. I heard Deputy Zappia give several warnings that he had his canine partner and told Hollomon to not fight with Deputy Malan and me.

Once Hollomon was on the ground, he continued to resist. Hollomon pulled his left hand from my grasp and swung his hand toward me. Hollomon's hand made contact with my chest area, where my vest was covering. I cannot remember where exactly on my vest Hollomon made contact, but it caused me lose my balance and fall slightly backwards. I immediately regained control of Hollomon's left forearm and began to pull it to the rear of his back. Hollomon continued to attempt to pull his arm away from my grasp. Deputy Zappia then advised Deputy Malan and me to break contact with Hollomon. Deputy Zappia's canine partner then made contact with Hollomon's right arm.

While Deputy Zappia's canine partner was contacting Hollomon, I held Hollomon's head down so he could not stand back up. Hollomon then rolled his body over on top of the canine. Deputy Zappia's canine then moved his way from underneath Hollomon's body and moved to contact the rear of Hollomon's neck. Hollomon's right arm was now near me. I pulled Hollomon's right arm from under his body and pulled it behind his back. Deputy Zappia gained control of Hollomon's left arm and placed handcuffs on Hollomon. Deputy Zappia placed two sets of handcuffs on Hollomon due to his size. If one set of handcuffs had been used it would have caused Hollomon's shoulders to be in a position that could have caused injury to Hollomon's shoulders. Deputy Zappia then removed his canine partner from Hollomon.

Once handcuffs were in place, Deputy Malan and I attempted to roll Hollomon onto his side in the recovery position; however, he remained uncooperative and refused to move from lying flat on his stomach. Deputy Malan then broadcasted that canine contact had been made with Hollomon and requested medics to the location. Deputy Malan then contacted the other subject Hollomon was with. See Deputy Malan's arrest report for details.

Medics arrived on scene and attempted to treat Hollomon. Hollomon stated he did not consent to any medical treatment. Medics then placed Hollomon onto a gurney and into the back of the ambulance. Deputy Zappia and I followed medics to Palomar Hospital, where he was treated for the canine contact.

Deputy Malan and I transported Hollomon to the Vista Detention Facility, where he was sequentially booked. Hollomon made the spontaneous statement he had no idea what happened or how he got to the jail. See Deputy Malan's arrest for details of the charges.

I concluded my involvement at this time.
